Sickle Cell Society

Befriending Service

***Are You Affected By Sickle Cell Disease
(SCD)?***

Are you a young person up to 25 years old?

Why not come and join our Befriending Service!

Aim

*The main aim of the programme is to establish a network of volunteers who can provide practical and emotional support to children and young people (up to 25 years) who are living with sickle cell disease in the **NORTH LONDON REGION**.*

The programme hopes to achieve the following outcomes:

To reduce the level of social isolation felt by many young people.

To boost their confidence and self esteem.

To link children and young people into community networks.

To meet and make new friends.

To establish long term sustainable social relationship in the mainstream community.

To better able to manage your SCD
