

Participants needed

Are you aged **16-24 years**, have **sickle cell disease**, were **born outside the UK** and have been **living in the UK for 10 years or less**?

Are you a **parent or carer of a migrant child or young person** with sickle cell disease in the UK?

Are you a **health professional or charity worker** involved in sickle cell services in the UK?

Help us to understand the experiences of migrant children and young people living with sickle cell disease in the UK and how to support them.

What do you need to do?

- You will be asked to share your views and experiences with a member of the study team.
- This will be in the form of an interview online or in person and at a time convenient to you.
- This will take approximately one hour.

If you are interested in taking part, please contact
